Adults are responsible for their kids and knowing emergency info in case there is an accident, etc Kids 6 years old and younger need to be within arms reach of adult. Adult may supervise up to 5 kids.

Lap Swim- Enjoy lap swimming during lap swim times All are welcome to use the pool during lap swim. Please be courteous of other swimmers and choose a lane that best fits your speed or age. Circle swimming is required when two or more swimmers are in one lane. Pool schedules are subject to change and for your safety, pools close when lightning is in the area.

“DEEP END TEST”

At the front desk there is a ring buoy and river float that is adjusted to the height of 4'9"

In order to use the waterslide, diving well and Wibits in deep water, patrons under 4'9" tall, and/or 8 years old or under, are required to pass 'The Deep End Test'.

However - **Guards may require any one to take the Test!**

Each swimmer's achievement will be logged at the front desk for the summer season. Once passing the test & upon stopping at the front desk with your admission through-out the season, simply ask the cashier for a daily "Deep End Wristband".

The requirements of the "Deep End Test" are:

- 1) Jump into (5') deep water with total submersion,
- 2) Recover to the surface
- 3) **Remain** floating or treading for one minute,
- 4) Turning completely around, and
- 5) Swim non stop for 25 yards, returning to the side of the pool

These skills must be demonstrated and done without distress. It is the opinion of the lifeguard conducting the test.

LOCKER USE

Locker use is recommended to safe-guard valuables. Lockers are available for checkout at a cost of 50¢ per use. Overnight use of lockers is not allowed.

SPLASH PAD

A 6,754 sq. ft. 'splash pad' located in the west side of the main pool. Highlighted by a 30 ft. high lighthouse, many types of spray and water play features are available for grade school children and their adult chaperones.

KIDDIE POOL

Available for adults with children age 6 and under daily from 1pm - 5pm. Floatation devices and soft toys are always welcomed. All toddlers who are not toilet trained must wear "Little Swimmer" pull ups.

Rentals of this area are during 9:30am-11:30am. Contact the Administrative office for information.

WATERSLIDE RULES

1. Patrons must take turns in line for the waterslide(s).
2. Enter and slide feet first from a seated position only.
3. Patrons must wait for the preceding slider to land in the water and a verbal "Go" be given from the attending guard.
4. All patrons under 4'9" tall, and 8 years old or under must pass the "Deep-End Test" before being allowed on the waterslides.
5. Two persons sliding is strictly prohibited.
6. Finished sliders must exit the landing area immediately.
7. In the event of a pool emergency (all horns), the water slides will be turned off and all patrons must return to ground level.

The following is PROHIBITED in the Pool Complex:

Hanging on ropes Glass containers Mermaid Tales
Splashing/distracting guards Running on pool deck
Boisterous play Pushing or horseplay
Profane/obscene language Pulling or riding on shoulders
Smoking Chewing gum Indecent familiarity Dunking
Intoxicated patrons Alcoholic beverages
Water-wings Street clothes (cutoffs/t-shirts)
Goggles with attached nose piece Outside food and drink

FACILITY OPEN POLICY

Riverview Pool was designed so that only one or a combination of specific sections of the pool could be open at any given time. Sections are separated by physical or by dividing rope barriers.

The pool will remain open for patron desire as common sense indicates within the parameters of air temperature, skies and wind. This policy is enacted to allow the pool to be open during posted hours (except adverse conditions) yet be financially responsible to the taxpayer.

POOL RULES

The following rules are enforced for patron's safety and comfort:

1. Shower before entering pool.
2. Children age 6 and under must be within arms reach of a parent, guardian or 'sitter' age 16 or older.
3. Individual floatation devices & small inflatable toys are allowed any time in the Kiddie pool.
(These items can not block lifeguard view of the person at any time.)
4. Food and beverages are not to be brought onto the premises during public hours. Any food or drink item must be consumed in the designated area.
5. Bags/non-swimming articles allowed in the kiddie pool and east grassy areas.
6. Clothes and valuables should be left in a locked locker. Lockers available at 50¢.
7. No patrons allowed with: open sores, inflamed eyes, communicable diseases and free from diarrhea for two weeks.
8. Diving in the diving well only.
9. The "Deep End" Test is required for use of the waterslides, Wibits in deep end and diving well.
10. Flotation devices must be Coast Guard approved.
11. Glass containers, goggles that are made of glass or other items not listed that are glass are not allowed within the pool complex including cell phones on pool deck.

Swimming Pool Attire:

All persons on the pool deck and/or swimming in the pool must have on proper swim attire.

All infants/toddlers that require a diaper must wear swimmer diapers and proper swimwear.

Clean cotton t-shirts and sarongs are allowed on the pool deck, however patrons must have on proper swim attire underneath. Following attire is not permitted "Street clothes," Brazil/French-cut, thong style and/or revealing swim wear, cut-off jeans, jeans, skirts, shorts, sport bras, leotards, leggings, dri-fit wear, compression shorts and compression shirts are prohibited. Underwear and undergarments are not allowed to be worn under swimsuits.

Pool patrons often ask, "Why do I have to wear proper swimwear?" Here are just a few reasons as to why it is important to only wear pool attire in the pool.

Street clothes (especially cotton) can transport airborne and ultimately water borne contaminants into the pool.

Lycra and Nylon are the best non-absorbent material for swimming and are the best fabrics for proper swim attire.

Other absorbent materials (such as cotton) can break down in the water and cause fibers to clog filters.

Any "colored" material (unless specifically made for swimming) can bleed into the pool, affecting water chemistry and balance. This is also a reason for turbidity in pools.

Cotton and similar materials can absorb the chemicals in the water, causing the water to become less effective at maintaining the proper chemical balance or may cloud the water.

“RED SHIRT DRILL”

In cooperation with the County 911 Communications Center, the Clinton Fire Department and the Clinton Police Department, the pool staff will engage in the annual testing of their knowledge and skill in an actual Emergency Management Action Plan scenario. The drill will be during the afternoon open swim time. Specific times will not be divulged. (Inclement weather will reschedule the event to the next week & will be announced.)

POOL WATCH

“Pool Watch”, modeled after “Neighborhood Watch”, has been created to lend assistance to the supervision of River-view Swimming Pool. Even though the Management Team and staff work hard to offer a positive experience for all patrons, and the lifeguards do a fine job of accomplishing their primary task, “watching the water”, it is the other areas of the Pool Complex that financially cannot be staffed with constant supervision.

When the actions of one patron takes away from the fun and enjoyment of another, pool staff need to know about it. “Pool Watchers” role is **to report** disturbances to Pool staff who will then observe, investigate and discipline as needed.

Pool Watch Creed

I agree to:

- Have good conduct and follow the posted rules.
- Support the aquatics resources of our community.
- Report to pool employees any misconduct that I witness.
- Believe that weapons, alcohol, and other drugs have no place at our pool.
