"The integrity of Ultimate relies upon a spirit of sportsmanship that places the responsibility for fair play on the player. Competitive play is encouraged, but never at the expense of mutual respect among competitors, adherence to the rules, or the basic joy of play.

"Ultimate" is a non-contact disc sport played by two co-ed teams of six players. The object of the game is to score a goal by a player catching any legal pass in the end zone... A player may not run while holding the disc. The disc is advanced by passing it in any direction to other players. If a pass is incomplete or a turnover occurs, the play results in an immediate change of team possession of the disc. Play governed by the Ultimate Players Association (UPA).
